

DIY WINDOW CLINGS

PREP

- 3 tbsp Glue (Clear is ideal, white works too)
- 2 drops Liquid Dish Soap
- 2 drops Food Coloring
- Printable Chanukah Images Stencil – [Click Here!](#)
- 1 Sandwich Baggie or Page Protector
- ¼ tsp Glitter (optional)
- 1 Small Bowl
- 1 Plate
- 1 Plastic Spoon
- This recipe makes one window cling. Repeat process as many times as desired!

PLAY

- Print off the Chanukah Images Stencils.
- Place the page protector or sandwich baggie flat on a small plate.
- Mix the glue, dish soap and food colouring in a bowl with a plastic spoon.
- Pour mixture onto the plastic on the plate and spread with the back of the spoon.
- If desired, sprinkle some glitter onto the glue.
- Leave for 24 hours to dry.
- When dry to touch, peel off of the plastic and transfer onto one of the stencil cards.
- Using the stencil, cut out the shape.
- Transfer your cling to the window.
- Enjoy the view!
